FROSTGUN Invitational 2014 @ Val d'Isere – exclusive Heliski package for Danish students

(12-14th February 2014 & 26th – 28th February 2014)

ABILILTY: 3/5 **FITNESS: 3/5**

Heli Skiing is the ultimate ski or board experience and the best chance of finding powder. It's a thrilling day starting with anticipation, which quickly turns into excitement and exhilaration thanks to the stunning scenery, our excellent guides, the totally out of resort feeling and the epic terrain available to us. Whatever your preference, our heliski areas have it all – sweeping tree runs, undulating powder fields and exciting couloirs!

We include:

- A certified UIAGM backcountry skiing/snowboarding guide for your group (1:4 ratio) sharing their knowledge of backcountry safety
- 1 epic heliski descent of around 2300 vertical metres
- Avalanche safety gear (probe, shovel, transceiver)
- The option of using our backcountry specific Liberty and Salomon skis for your descent
- The opportunity to have your skis/snowboard tuned before/after your heli trip
- A professionally edited Go Pro video of your experience to share with family or friends
- Transfer by minibus from Val d'isere to La Rosiere and back after your run

Exclusive Danish student Price: €480 per person (Full payment taken to secure your place)

Optional extras:

- Extra heliski descent: €220 per person

**ABS pack (€60 per person) and La Rosiere lift pass (€40 per person) may or may not be required depending on route choice.*

**Full refund if weather prohibits flying or full helicopter not attained.*

**Prices based on full helicopter of 4 people*
